

## Temporis IP Extension Module

### An intuitive tool to enhance call handling

- The Temporis IP Extension Module **extends the capabilities of Temporis IP800.**
- **Ideal for administrative assistants, receptionists and workers** who have to monitor, manage and cover call status.
- Make it your own. **Configure the keys to meet your specific needs:** BLF, BLA, XML browser, line or speed dial keys and many more.
- Benefit from a **large graphic display with easy-to-understand icons and dual color LED keys** to know line status at a glance.
- Install it to suit you thanks to the **adjustable 2-position foot stand.**

#### EXTRA

-  Large graphic display
-  Dual color LED keys
-  Up to 38 function keys
-  6 Temporis IP Extension Modules can be daisy chained
